Greetings,

If you have not heard, Jefferson County EMS has been granted an opportunity to be an institution of instruction for the Basic EMT. We will have our initial class beginning on January 13, 2020. The class will be from January 13 to May 14, 2020 from 5:00 PM to 10:00 PM each Monday and Wednesday. Students can complete the application packet attached and will be scheduled for an in-person interview which will be January 7, 2020. We are limited to 10 students per class and we are also limited to two classes each year.

We would ask if you intend to be a part of this class, complete the attach forms and return as soon as possible the application, letter of recommendation, and requested documents that need to be attached to the application no later than 4:00 PM on January 2, 2020 by mail or in person to 581 W Old AJ Hwy, New Market, TN 37820. Remember the in-person interviews will be scheduled for January 7, 2020 and perspective students will be contacted to set up a time.

Included in this packet is an approximate charge for this course in regard to the cost of textbook, personal liability insurance, clinical shirt, state and National Registry fees.

Thank you for your consideration,

Jefferson County EMS EMT program.
